# INTERIM FINANCIAL REPORT FOR THE HALF-YEAR ENDED 31 DECEMBER 2022

#### **DIRECTORS' REPORT**

The Directors of Primary Securities Ltd (ABN 96 089 812 635), the Responsible Entity of Henley Brook Syndicate ("the Syndicate"), present their report for the half-year ended 31 December 2022.

## Directors

The names of the Directors in office at any time during or since the end of the half-year are:

Toni Smith (Chairperson) Robert Garton Smith Natasha Olsen

Directors have been in office since the start of the half year to the date of this report unless otherwise stated.

The registered office of the Responsible Entity is 3 Shuffrey Street, Fremantle, WA 6160.

#### **Review of Operations**

The Syndicate made an after-tax net profit of \$245,818 from continuing operations for the halfyear ended 31 December 2022 (31 December 2021: net profit of \$85,434).

As at 31 December 2022 the Syndicate had sold 476 lots and settled 457 lots.

The economic conditions in Western Australia have deteriorated over the past six months. The significant and regular increases in the Reserve Bank cash rate have impacted negatively on the market.

The rise in inflation and in particular the increased cost of construction has had a negative impact on the market for new homes. This has impacted on the sales of lots in the subdivision.

During the past six months the syndicate has developed stages 14 and 15 for a total of 56 lots. Stage 14 had practical completion in December and Stage 15 had practical completion in February.

Stage 14 with 31 lots have been titled in February 2023 with settlements to commence through March 2023. Of the 31 lots for sale 11 have been contracted. The balance of 20 lots is being sold. Stage 15 with 25 lots is expected to be completed during March 2023. Two lots have been contracted.

The changed market has impacted the rate of contracted sales to circa 3 per month. The managers are working with house builders to maximise the rate of sales. It is expected that the sales rate will be slow in the range of 3 to 4 lots per month for the foreseeable future.

Rates of sales will be expected to improve once building costs reduce. It is unlikely that there will be an improvement in interest rates for the next year or so. The Reserve bank has indicated the intention to continue with interest rate increases for at least a further two increases.

Further distributions to investors are planned for when settlements of stage 14 take place. This is likely to be in late March 2023.

# DIRECTORS' REPORT

# **Principal Activity**

The Syndicate is a registered managed investment scheme domiciled in Australia.

The Syndicate commenced on 22 December 2005 after the acquisition of Lots 349 and 350 Park Road, Henley Brook, Western Australia.

The Property is being progressively subdivided into residential lots and a commercial lot with the final sales expected over the next two to three years.

The Syndicate has no employees.

There have been no significant changes in the nature of the Syndicate's activities during the financial reporting period.

#### Likely Developments

Stage 14 is expected to have titles issued in March 2023. Stage 15 is likely to have lots titled in July/August 2023.

The delay in titling Stage 15 is to limit the impact of land tax, water rates and council rates on these lots.

Stage 13, the remaining Stage in the subdivision is subject to further analysis. A recent tender for the development of this stage was priced too high to enable the subdivision to commence. The costs of construction were significantly higher than expected.

# Auditor's Independence Declaration

Signed in accordance with a resolution of the Board of Directors of the Responsible Entity, Primary Securities Ltd:

# CONDENSED NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2022

# 1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

#### **Reporting Entity**

Henley Brook Syndicate ("the Syndicate") is a registered managed investment scheme under the Corporations Act 2001. The condensed interim financial report of the Scheme is for the six months ended 31 December 2022.

#### Statement of compliance

The half-year financial report is a general purpose financial report prepared in accordance with the Corporations Act 2001 and AASB 134 Interim Financial Reporting. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 Interim Financial Reporting. The half-year report does not include notes of the type normally included in an annual financial report and shall be read in conjunction with the most recent annual financial report.

#### Basis of preparation

The financial statements have been prepared on the basis of historical cost. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

The accounting policies and methods of computation adopted in the preparation of the halfyear financial report are consistent with those adopted and disclosed in the Syndicate's 2022 annual financial report for the financial year ended 30 June 2022. These accounting policies are consistent with Australian Accounting Standards and with International Financial Reporting Standards.

The Syndicate has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to its operations and effective for the current half-year.

It has been determined by the Syndicate that there is no material impact of any of the New and Amended Standards and Interpretations on its business, and therefore, no changes are required to the Syndicate's accounting policies.

Unitholders funds have been shown as equity rather than a financial liability following the amendment to the Syndicate's Constitution, giving the Syndicate an indefinite useful life. The funds ceased to satisfy the definition of a financial liability under AASB 132 Financial Instruments: Presentation and have been classified as an equity instrument in the financial statements.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
